DORA REGISTRATION INFORMATION SHEET

ABOUT THE NEW DORA REQUIREMENTS

While we may all know [HB25-1043](#) was the “collection bill” of 2025, it also includes new [DORA](#) reporting requirements. Associations must now report information concerning delinquencies in addition to the existing yearly registration requirements. This includes data regarding payment plans, judgments, and foreclosures that were processed during the previous year against homeowners.

To that end, Altitude is offering a new service to help register this collection information with DORA along with your yearly registration.

Important disclaimer: If your Association does not provide the requested information in the allotted time frame, Altitude Community Law will terminate this DORA registration service due to inability to properly complete the report.

WHAT WE CAN DO TO HELP

Altitude is able to complete your yearly registration and reporting for an annual fixed fee.
