

## QUORUM REQUIREMENT AMENDMENT INFORMATION SHEET

### ABOUT QUORUM REQUIREMENT AMENDMENTS

Many associations today are running into the same problem: they can't meet quorum to make necessary or required changes in their community. On the other hand, some associations are moving forward with the work without reaching quorum, which creates unnecessary risk for the association and the board members. Fortunately, there is a better option. An association can reduce quorum requirements by obtaining a court order.

This amendment will be done pursuant to CRS 7-121-601, in that we will petition the district court for an order reducing the quorum.
